## ANNUAL REPORT FOR THE YEAR 1952-53

### VICE-CHANCELLOR'S OBSERVATIONS

1. It has been customary for the Vice-Chancellor to ›pend a few observations to the Annual Report to focus tention upon the main achievements of the University ıring the year under review, and to point to its urgent eds and requirements in the future. I took over charge the office of Vice-Chancellor on the 1st of November, 1953, d the credit for whatever has been accomplished in the st years, goes to my predecessor, Dr. G. S. Mahajani, who nained in charge till June 30, 1953, and to Dr. M. L. arma who was appointed as Acting Vice-Chancellor from at date, till I was able to take over.

This University owes a deep debt of gratitude to Dr. ıhajani, its first Vice-Chancellor, who served it with the nost devotion and ability during the first five and a half ırs of its existence, and laid down sound administrative and ıdemic traditions. As a scholar of great distinction, as a n of high rectitude of character and sound judgement mbined with a rare sense of modesty and self-effacement, t with tenacity to pursue with single minded zeal the 'e objectives of University education, Dr. Mahajani has , behind an example, which is worthy of emulation. The mory of his meritorious service will long survive and will, rust, be a source of inspiration to all who serve in this ce.

2. The University has now completed its sixth

During this short period it has made rapid and steady progress When the University came into existence in 1947, there were only six faculties ( Arts, Science, Commerce Law Medicine and Engineering ), 24 affiliated colleges and 107 recognised High Schools Since then courses in Pharmaceutics Civil Engineering and a new faculty in Education have been added and the number of affiliated colleges and recognised High Schools has gone up to 45 and 228 respectively The number of students in our colleges has increased from 3,264 in 1947–48 to 12,904 in 1952–53 and the number of examinees for the college examinations ( Inter and upwards ) has gone up from 3 298 to 8 589 during the same period The number of examinees for the High School Examination has increased from 4,313 ( in the year 1948 ) to 14,945 ( in the year 1953 ) The first teaching department of the University, that is, Economics came into existence in July 1949 in July 1950, two more departments viz, Philosophy and Geology were added Now the University has five teaching departments, the new additions being Law and History The Law College, Jaipur, which had been run by the Government of Rajasthan, has been taken over by the University with effect from July 1953 to function as a Department of the University, and a Chair in History has been established as a result of a munificient donation of a sum of Rs 20,000/– per annum by H H the Maharao of Kotah, Up–Rajpramukh of Rajasthan

3 While the Registrar's report and the accounts presented under the other sections by Deans and Principals of colleges give detailed information of the work done and progress achieved during the year, special mention should be made of the following —

( i ) Shri G D Birla has agreed to continue his donation of a sum of Rs 15 000/– per annum towards the maintenance of the University Department of Geology for a further period of five years

(ii) The University has appointed a Committee consisting of the following members to draw out a scheme for the re-organisation of legal education and studies in Rajasthan :—

(a) Hon'ble Shri K. N. Wanchoo, I. C. S.,
Chief Justice of the High Court of Rajasthan.

(b) Shri L. R. Shivasubramaniam,
Dean, Faculty of Law, University of Delhi.

(c) Shri K. S. Hajela, Advocate General, Rajasthan, & Dean, Faculty of Law, University of Rajputana.

(d) Shri N. C. Chatterji,
Senior Advocate, Supreme Court of India; and

(e) Shri C. L. Agrawal,
Advocate, Rajasthan High Court.

(iii) Social Science has been introduced as a new subject for the B. A. examination.

(iv) Candidates passing the recognised Oriental examination and the B. A. examination in English onl[y] have been allowed to proceed for post-graduat[e] studies.

(v) A three months' short-term B. Ed. course has bee[n] introduced at the Vidya Bhawan G. R. Seksari[a] Teachers College, Udaipur, for those who hav[e] already passed the T. T. C. or C T. or any othe[r] examination recognised as equivalent thereto.

(vi) Study of Sanskrit has been made compulsory fo[r] students taking Hindi at the M. A. and B. A. stage[s]

(vii) The next session of the Conference of the India[n] Economic Association and the Inter-Universit[y] ( North Zone ) Tennis Tournament will be ' '

under the auspices of the University in December 1953-January 1954.

(viii) Rapid progress has been made in the matter of construction of the university buildings. Detailed plans and designs of the buildings have been prepared and approved. Steps are being taken to appoint an Engineer and his staff at an early date

4. The following features which reflect credit on the name of the University deserve mention —

(a) Dr. S K. Menon, Principal, S M. S Medical College, Jaipur, and Dean, Faculty of Medicine, has gone to U. S. A. under Rockfeller Foundation Scheme to study the system of Medical Education there.

(b) Shri R. N Chowdhary, a member of the Senate and Shri M L Gupta, Lecturers in the Maharaja's College, Jaipur, have been awarded scholarships for further studies in Social Sciences at the Hague University in Netherlands

(c) Shri N. D. Gautam of the Mathematics Department of Herbert College, Kotah, has been granted a scholarship for research in Mathematics in Germany.

(d) Shri M. K Chaturvedi, a student of the University Law College has been selected to represent our country in the U. S. A. in connection with the Exchange of Debating Team Programme between U. S. A. and India.

(e) The Government of India under its Scientific Research Training Scholarship Scheme has awarded a junior scholarship to Shri M. W. Choudhari a research student, for research in the University Department of Geology.

5. The University of Rajputana is a regional one and by force of historical circumstances and local requirements its basic pattern must conform to the affiliating type. But the founders of this University, while giving full scope to its affiliated colleges to develop University teaching up to the highest stage for which they can make proper provision, have recognised that the University as a body corporate must not be a mere examining machine, but should also develop certain teaching and research departments of its own for advanced studies which, in course of time, should make their modest contribution to the advancement of learning I believe that such a complex pattern, although it raises difficulties and complications, is unavoidable for the majority of Indian universities in the circumstances which prevail in our country

There are two main problems which such a University has to face The first is to prevent the growth of a sense of rivalry between its constituent colleges, and the University Departments The second is to find adequate resources for the development of its teaching and research departments.

I believe that with goodwill, intelligent-planning and co-operative effort, both problems are capable of solution

We have been fortunate enough to receive financial aid from the State Government which is adequate for our immediate needs Similarly support has been given to us by generous donors for starting the various Departments of the University to which reference has already been made in this review. But for future development and stability it will be essential for the State Government to come forward with much larger grants, and for our private benefactors to make permanent and more adequate endowments for such schemes as they have sponsored on a merely periodic basis, and for those which may be launched in the time to come

6 The University of Rajputana as it gains strength

and stability will not only be a cementing factor between the various units which have been integrated to the State of Rajasthan, but will, I believe, revive once again the intellectual and cultural tradition of this historic region which forms such a colourful page in the annals of our past. I have, therefore, every hope that financial support for this infant University of ours will be forthcoming in a generous measure both from the State as well as from private benefactors, and the odium of Rajasthan being educationally a backward region, will be soon wiped out.

## FACULTY OF SCIENCE

The Annual Meeting of the Faculty of Science for the year 1952–53 (1st July 1952 to 30th June 1953) was held on the 12th December 1952, with Dr. S. D. Arora, Dean of the Faculty, in the Chair. During the year under review Dr. S. D. Arora, Principal, Jaswant College, Jodhpur continued to be the Dean of the Faculty.

The following are some of the important resolutions approved of by the Syndicate and Academic Council on the recommendation of the Faculty :—

1. The Scheme of examinations for the Inter. Science in Agriculture and B. Sc. in Agriculture has been amended and consequently the Ordinances and Regulations. The revised scheme has come into force with effect from July 1953 and the Inter. Science in Agriculture Part I and B. Sc. Agriculture Part I Examinations of 1954; and Inter. Science in Agriculture Part II and B. Sc. (Ag.) Part II examinations of 1955 will be conducted by the University.

2. Use of log tables by the students in the Inter. Sc. and B. Sc. examinations ( both Practical and Theory ) has been permitted. These will be provided by the University at each examination centre.

3. To stimulate facilities for research workers for the Doctorate Degree of the University, the affiliated colleges have been requested to co-operate by giving facilities for study to research workers. The University on its part has provided for a research grant so as to make available to them rare books and material required for their study.

4. Up to four delegates, distributed over various subjects of the Faculty, will be deputed every year

to attend the recognised All India Conferences in subjects pertaining to Science Faculty, subject to usual conditions of reading papers etc

5 The scheme of examination for B Sc in Chemistry (Theory) has been amended so as to provide three papers viz., Inorganic & Analytical, Organic and Physical instead of two viz, Inorganic & Physical and Organic

6 The Scheme of Examination for the M Sc (Geology) in special paper with corresponding practical has also been amended as follows —

Special paper with corresponding Practical on any one of the following subjects —

(1) Geology of Rajasthan and Bihar with special reference to their mineral resources

(2) The Archean Rock formations of India

(3) Mining Practice

(4) Ore dressing

(5) Study of coal with special reference to Gondwana Land

(6) Geology and structure of the Himalayas

The total number of colleges affiliated to the University in Science subjects rose from 17 to 22 ( including 12 Degree and 10 Intermediate colleges, out of which 5 teach up to post graduate standard )

During the year under review 7 applications were received for permission to do research work for the Ph D Degree of the University, and all of them were permitted to supplicate

S D ARORA
*Dean, Faculty of Science*

## FACULTY OF COMMERCE

The demand for higher Commercial Education has been growing fast in Rajasthan the native home of rich and talented Marwari Bankers, businessmen and industrialists

This is apparent from the growing number of candidates, who appeared at the University Examinations The following table will show the number of candidates who appeared at the various University Examinations in 1953 —

| Name of Examinations | No of candidates appeared | No of candidates passed |
|---|---|---|
| I Com | 779 | 445 |
| B Com | 419 | 248 |
| M Com (Previous) | 74 | 69 |
| M Com (Final) | 61 | 57 |

The following *new affiliations were granted with effect* from July 1953 to the colleges in subjects and standard noted against each of them —

| | *Name of the College* | *Subjects* | *Standard* |
|---|---|---|---|
| 1 | Jaswant College Jodhpur | Advanced Banking | B Com |
| 2 | M B College, Udaipur | — | M Com |
| 3 | Hadendra Intermediate College, Bundi | Mathematics | I Com |

The faculty approved new courses for M Com Examination, which will prove a great improvement over the previous courses One special feature of the new M Com courses is the emphasis laid on practical training

During the course of the year the Inter-University Board held a Conference of the representatives of Commerce of various Universities in India at Madras The Conference unanimously resolved that minimum uniform courses may be adopted by every *University* up to *B Com* standard so that there may be no difficulty for any University in recognising

the I. Com. and B Com. Examinations of other Universities. I hope in near future the question of recognition of I Com. and B. Com. Examinations by some of the Universities will be satisfactorily solved

The Faculty of Commerce at its annual meeting resolved that B Com. Examination may be split up into B. Com. Previous and B. Com. Final Examinations in order to do full justice to the heavy courses of B. Com. Examination.

During the year under review University extended the facility of allowing candidates for M. Com Examinations as well to answer their paper in Hindi in most of the papers.

During the year under review no candidate was registered as research scholar for Ph. D. degree.

*Dean, Faculty of Commerce.*

# FACULTY OF LAW

During the year under report the meetings of the Board of Studies in Law and Faculty of Law were held on the 24th July, 1952 and the 10th December, 1952 respectively. The Board of Studies allowed the existing syllabus for the LL. M. standard to continue for the ensuing examination. As regards the syllabus for the LL. B. ( Previous & Final ) only minor changes were made as detailed below :—

In the LL. B. Previous course, about seven new cases in the Law of Contract ( Paper I ), Torts & Easement ( Paper II ), and Constitutional Law ( Paper VI ) were included for being studied as Leading Cases in these subjects. In the LL. B. Final course, in Paper II relating to Land Tenures, Rent and Revenue Law of U. P., the Zamindari Abolition Act ( U. P. Act No. I of 1951 ) was substituted in place of the U. P. Tenancy Act No. XVII of 1939 and U. P. Land Revenue Act of 1901.

During the year under report early in October last Shri K. S. Hajela, the *Dean of the Faculty of Law* was appointed as the ( First ) Advocate General of the State of Rajasthan by H. H. the Rajpramukh. In this connection the Syndicate of the University at its meeting held on the 25th October, 1952 adopted the following resolution unanimously :—

> "Resolved that in view of the distinguished services to the cause of education in general and to the studies of Law in Rajasthan in particular the University places on record its high sense of appreciation of the services of Shri K. S. Hajela, ex-Principal, Law College, Jaipur, the Dean of the Faculty of Law, University of Rajputana, and now the Advocate General of the State of Rajasthan. The University of Rajputana and the teaching of Law Studies in this area will greatly suffer by this sudden severance

of his connection with the field of education, and therefore, the Syndicate in recognition of his distinguished services invites him to be the Professor Emeritus of Law in this University '

Thereafter at the next meeting of the Syndicate this resolution was further clarified by substituting the word "Honorary Professor of Law instead of "Professor Emeritus of Law in the above resolution

In the meeting of the Faculty of Law held on the 10th December, 1952 the following resolution was unanimously passed by the Faculty —

'The Faculty unanimously tenders its hearty felicitations to its Dean, Shri K S Hajela, M A, M Sc, LL M, on his appointment as the first Advocate General of Rajasthan, which is not only a recognition of his eminence as a lawyer but also a matter of pride to the members of the teaching profession The Faculty is grateful to the Vice-Chancellor and the Syndicate for appointing Shri Hajela as the Honorary Professor of Law and thereby enabling the Faculty to have his guidance in its deliberations and activities'

2 The fifth batch of the LL B Final students appeared at the LL B Degree Examination held in April, 1953 and out of 335 candidates, who appeared at the examination 193 were declared successful

3 The LL M Part I class was opened in the College in September 1951 with 23 students on the rolls The first batch of the students appeared at the LL M, Part I, Examination held in December, 1952 None of the students was declared successful at this examination. This is, however, not at all surprising as LL M Degree Examinations are the stiffest Law Examinations requiring wide study and high degree of efficiency from the candidates This did not in any way damp the enthusiasm of the students for higher

studies in Law and at the next LL. M , Part I, Examination held in April, 1953, 16 candidates appeared at the examination. Out of these candidates, 2 were declared successful, one of them appeared from the Law College, Jaipur and the other as a private candidate being the Head of the Law Department in the Jaswant College, Jodhpur

4. During the year under report proposals for the transfer of the Law College, Jaipur, to the University of Rajputana were exchanged between the University of Rajputana and the Education Department of the Government of Rajasthan It was decided by the Government of Rajasthan that the Law College, Jaipur, be transferred to the University of Rajputana with effect from July, 1953 I am glad to record here that the University has now taken up under its charge the Law College, Jaipur, and it is hoped that it will prove to be a model institution not only for teaching for the LL. B Degree Examination but also for encouraging and propagating higher studies in Law

K S HAJELA
*Dean Faculty of Law*

## FACULTY OF MEDICINE AND PHARMACEUTICS

During the year under review the meeting of the Faculty of Medicine was held on December 9, 1952, with Dr S K Menon, Dean of the Faculty in the Chair.

The recommendations of the Medical Council of India with regard to change of Medical Curriculum and Scheme of Examination were examined and a new course of study along with new scheme of Examinations for M B, B S has been introduced in the University from July 1952. The course would extend over five years of College Study followed by 6 months of post-examination hospital training in an approved hospital before the award of the Degree

These changes have been affected in order to raise the standard of Medical Graduates and to make them useful and efficient doctors in the shortest possible time

Syllabus and ordinances relating to the Study of I. Pharm and B Pharm were amended. The Faculty also drafted the Ordinances and courses of Study for the Degree of Master of Pharmacy and Post-Graduate Diploma in Pharmaceutics

Diploma in Pharmacy of the State Faculties (Medicine) of Madras and West Bengal for admission to B Pharm were recommended for recognition by the University

S K MENON
*Dean, Faculty of Medicine & Pharmaceutics*

9 GENERAL —Dr K P Rode while attending the International Geological Congress had availed himself of very instructive geological excursions in the Atlas mountain in the Sahara Desert, in the mineralised area of Austria and Norway He also visited the geological laboratories of various continental Universities, like those of Zurich Bern, Geneva and Basal ( in Switzerland ), Leoban ( Austria ), Heidelberg Boon, Gottingen and Hannover ( in Germany ) Lund Stockholm and Upsala ( in Sweden ) Oslo ( in Norway ) Utrecht Delft and Leiden ( in Holland ), London and Cambridge ( in England ) These visits have been immensely instructive and useful At the International Geological Congress he was also elected Vice-President of the Gondwana Commission of the Congress

It was further decided at the Congress to hold a special symposium at the next Congress to be held in Mexico in 1956 on the Evolution of Continents with special reference to Dr Rode s new theory

Before concluding this report it has to be recorded that the Department suffers considerably owing to the absence of proper accommodation The Department is located in widely separated rooms in different blocks of M B College, Udaipur. This causes not only inconvenience but also entails lack of proper supervision, and hinders development on proper lines It is earnestly requested that the Department be provided with a building of its own

In the end it is desirable to record grateful thanks to Shri Seth G D. Birla for the kind donation which made it possible for Dr K P Rode to attend the International Geological Congress We also place on record the help given by the Central Government to encourage geological research in this Department through the special grant of Rs 16,000/

11 EXTRA CURRICULAR & SOCIAL ACTIVITIES —

(a) The College Union worked under its own constitution with office bearers elected from among the students A senior lecturer was nominated by the Principal as its adviser The Union worked smoothly It celebrated anniversaries of national and international or literary impor

tance, did rural uplift work on the occasion of Mahatma Gandhi's Birthday anniversary, celebrated a social education week and helped the administration in maintaining discipline and a wholesome atmosphere in the college. The Union did not hold social gatherings during the year under report but the whole amount allotted for social gatherings was devoted by the Union for starting a Gandhi Mandir in the college which would consist of a library and reading-room in the college building It is hoped that this would begin to work in the current session There was no well in the college compound, so the sinking of a well was begun by the students and members of the staff voluntarily and it has been dug to a depth of about 17 feet. After rains its work will be started again.

Besides the Union, there were Games Association and the Poor Students Helping League.

The House system under which all the students were divided into four Houses with two senior teachers attached to each House as its House Master was introduced during the year to enable the maximum number of students to participate in all the extra-curricular activities, physical, literary and social, and to promote the spirit of mutual co-operation and healthy emulation

9 GAMES SPORTS AND MEDICAL EXAMINATION OF STUDENTS — The college had one common play-ground for both Hockey & Foot-ball. It was found by the Municipal Board to have been partly built on its lands and hence it was seized by them Two old volley-ball courts got damaged In the course of the year the students prepared with their labour one football ground, four new volley-ball courts and two basket-ball courts. Basket-ball is a new game introduced here last year By the end of the session all the grounds and courts were being utilised and games were made compulsory for Inter class students. The college has got in its possession one big piece of land measuring 23 bighas but it has no boundary wall or fence and hence cannot be maintained

The students played matches with local teams in Volley-ball, Foot-ball and Hockey, generally winning them They also visited Chittorgarh and Neemuch and played matches there. The college could not join University Tournaments as the students of Inter section could not rally sufficient strength General sports were held on two occasions

There was no medical examination as there was no provision in the budget for this There was, however, a physical fitness test

10 SCHOLARSHIPS, STIPENDS, MEDALS AND CONCESSIONS IN FEES – The Government of Rajasthan allowed scholarships to students, stipends to three students and with the approval of the Director of Education, nine students were allowed full exemption from payment of tuition fees, and nine students half exemption from the same No medals could be awarded

11 EXTRA-CURRICULAR AND SOCIAL ACTIVITIES —

(a) The college has one Students' Union which has an Executive and a Parliament The Executive held about nine meetings. The Union was very active It invited the Director of Education to preside at the opening function and the Education Minister to preside at the closing function These functions were successful

(b) Four one act plays were staged by the Union on suitable occasions which were also marked by monologues, dialogues and fancy dress-show.

12 Hostels —There is no hostel There used to be a hostel which however has been used for the last several years by other departments of the Govt The students tried to get possession of the building but in vain There were about 200 students wanting hostel accommodation, but they had to content themselves with rented rooms wherever they could find them in the town even at exorbitant charges

13 Discipline —It was on the whole very satisfactory A few students tried to make some mischief and they had to be rusticated for short periods of time

14 General —The strength of students rose by 113 from 370 to 483 and the accommodation was found to be sufficient only when four more rooms were utilised But light arrangement in the room, which measures 16' X 20' was found to be inadequate The lady-students, and the members of the teaching staff had to shift themselves for want of accommodation There was no hall and no separate reading room for students

The strength of the teaching staff was sufficient but two of the lecturers joined on temporary basis in the month of February 1953, and they had to leave on 15th May, 1953

The college is an infant institution in the second year of its existence and still there is plenty of scope for extension and development

( a ) SCOUTING —There are 12 rovers 24 boy scouts and 24 cubs Our scouts take part in all the camp-fires and other activities of the local Bharat Scouts Association Tours are also undertaken by the members of this Association

( b ) EXTENSION LECTURES —Although there is no regular scheme for extension lectures yet general assembly and general knowledge classes are held once a week and sometimes gentlemen from other places are invited to deliver lectures on the topics which may be useful to the students of lower classes These competitions include antakshari recitation and story-reading etc.

( c ) DRAMATIC ACTIVITIES AND THE LIKE —Dialogues, dramatic activities, antakshari camp-fires tours and trips are organised from time to time

(d) N C C —The National Cadet Corps is gaining strength year by year and more students are coming forward to join it Our students have been taking a very keen interest in all the activities of the National Cadet Corps They had been to the combined N C C Camp held at Delhi to help the working of the community project Their work was much appreciated by all concerned

12 DISCIPLINE —A very important feature of the year was to keep the students engaged throughout the college hours and to sublimate their instincts through so many associations and societies under the charge of the teachers concerned Besides all these societies, there is a prefect's council including the teachers and the Principal which looks after the discipline and general tone of the college and it has a healthy effect over the college discipline

8 Shri Chandra Mohan Mathur, M A B Com, LL B Lecturer (Part time)

In the last week of September 1952 Shri K S Hajela, Principal, Law College, was appointed Advocate General of the State of Rajasthan by H H the Rajpramukh Shri K S Hajela, therefore, handed over the charge of his office as Principal, Law College to Shri R. N Verma on the

6th October, 1952 In January 1953, the Education Secretary to the Government of Rajasthan, again invited Shri K S Hajela to act as Principal of the Law College and in pursuance of this, Shri K S Hajela again took over the charge of the principal ship of the college on the 5th February, 1953 as Honorary Principal in addition to his duties as Advocate General of Rajasthan

4 FINANCE —The total expenditure of the college during the financial year 1952 53 was Rs 35,599/5/6 while the income amounted to Rs 54 603/ /-

5 BUILDING —The Law classes are held during the morning hours in summer and in evening during winter The classes are held in the spacious Physics and Chemistry Theatres of the Maharaja's College The Maharaja s College building is a fine and grand structure and the class rooms in the college building are available for use of the Law classes according to our needs

6 LIBRARY —During the year under report the Government made a grant of Rs 1,000/- recurring for library books This amount was duly spent in purchase of books The library now contains about 1450 books inclusive of Law Reports of the value of about Rs 17 000/-

The Needy Students' Library was instituted under the auspices of the college Union The initiative for starting the library came from Shri Shantilal Durlabhji an ex-student of our college

During the term of his office as President of the college Union, Shri Shantilal Durlabhji donated a sum of Rs 300/- for the purchase of books for the library In this connection we are much beholden to Seth Sobanlal Dugar who contributed munificently to the funds of the Needy Students Library by donating a sum of Rs 3,1C0/-

During the year under report, a large number of students both in the Previous and Final classes were helped with complete sets of course books from the library The library was put in charge of Shri R N Verma M A, LL M, who conducted the work efficiently

We are also grateful to Shri D M Bhandari, M P, Advocate, Jaipur for donating to the students library the sum of Rs 300/-, which had been offered to him as honorarium by the University of Rajputana This contribution is a significant indication of Shri Bhandari's benevolent interest in the activities of this college

7 SCHOLARSHIPS STIPENDS, MEDALS & CONCESSIONS IN FEES — During the year under report the freeships and half freeships that had been allowed in the previous years were discontinued under instructions from the Government of Rajasthan The fee for LL M class was fixed as Rs 15/- per month, while the fee for LL B classes was retained at Rs 10/ per month

8 EXTRA CURRICULAR AND SOCIAL ACTIVITIES —*College Union* The college Union was started in August, 1947 The Union arranges Debates Lectures Moot-Courts, and social functions To commemorate the Silver Jubilee of His Highness the Maharaja Sahib Bahadur of Jaipur, a costly and beautiful silver trophy named 'Sawai Mansingh Silver Jubilee All India Debate Trophy' was donated by one of our students Shri Shantilal Durlabhji

The activities of our Union during the year under report commenced with a round of farewell parties by the students and the Executive Committee of the Union to Principal K S Hajela on his appointment as Advocate General Rajasthan Speeches expressing their deep regrets on his leaving the college and great joy at his elevation to the coveted office were made by the members of the staff office-bearers of the Union and the students of the college on this occasion This was followed by the inauguration of the Union by the Hon ble M Patanjali Shastri, Chief Justice of India, on the 31st October, 1952 The function was a grand success Notable among those present on the occasion were Dr G S Mahajani Vice-Chancellor of the University of Rajputana Hon ble Shri K N Wanchoo Chief Justice of Rajasthan High Court and his companion Judges of the Jaipur Bench Pandit Devi Shanker Tewari Chairman Public Service Commission Rajasthan Shri P S Murthy Registrar, Supreme Court of India a number of leading members of the Bar and high officers of the State

Soon after the inauguration the Union organised a very lively and successful session of the *Mock Parliament* which was followed by a series of interesting and instructive extension lectures by Shri B B Tavakaley, Senior Advocate Supreme Court of India, Delhi, Shri L R Siva Subramanian Dean Faculty of Law, Delhi University Shri M L Shawney, Professor of Law, Dungar College, Bikaner and Shri P L Varghese Advocate Supreme Court of India Delhi The lectures by Shri P L Varghese on International Law were delivered under the Extension Lectures Scheme of the University of Rajputana

During the year, the students of this college participated in a number of debate competitions and won laurels The first two prizes and the

trophy were won by our students in the Rajasthan English Debate Competition held under the auspices of the Law College Jaipur. Mrs. Sumitra Singh, a student of this college, won the second prize at the Rajputana Hindi Debate Competition held under the auspices of the Maharaja's College Union. Mr Y K Talwar, LL B Final student of this college won the first prize at the Inter-College English Debate Competition held at Kotah

An educational tour to Lucknow, Bombay and Calcutta was organised by the Union during the winter holidays The Chief Minister, Rajasthan, was pleased to donate a sum of Rs 500/- towards the tour expenses as a token of his Government's support to his educational tour The year's activities were rounded off by the annual dinner which has become a standing feature of the Union activities, and at which over four hundred covers were laid The occasion was graced by Shri Jai Narain Vyas, Chief Minister Rajasthan, Pandit Devi Shanker Tewari, Chairman Public Service Commission and Shri D M Bhandari, M P, Advocate

11 General —LL M Part I class was opened in this college in September 1951 with 23 students on rolls The second batch of LL M Part I was admitted in July, 1952 and there were 18 students on rolls The first batch of LL M Part I students appeared at the special examination held in December, 1952 Out of 11 candidates who appeared at the examination none was declared successful

The next examination of the LL M Part I was held in April [illegible] and out of 18 candidates, who appeared at the examination only 1 was declared successful

In this connection, it is worth mentioning that the LL M Exami-nation is one of the stiffest examinations in Law requiring wide studies and proficiency on the part of the students It is, therefore, not at all surprising that none of the candidates came out successful in the first batch and only two were declared successful in the examination held in April last It is not an uncommon feature of this examination in other Indian Universities also

Under the circumstances, the success of two candidates in the LL M. Part I Examination held in April last, one from this college and the other who appeared as private candidate being the Head of the Law Department in the Jaswant College, Jodhpur, is fairly encouraging and it is hoped that the students in this college will now fully realise their responsibility for hard work and deep study for securing success in other examination.

During the year under report, the University made another grant of Rs 5000/- for the purchase of Law books for LL. M. students [illegible] have been greatly benefitted by the transfer of the law section of the Univer-sity Library to our college with the kind permission of the Vice-Chancellor.

While I am writing this I am glad to record that the Law College has been taken over by the University and it will henceforth become the University Law College

7. BUILDINGS —As remarked last session, we are feeling the pinch for want of adequate accommodation Though we are handicapped by lack of finances, we are utilizing every inch of the space available and efficiency is not allowed to suffer for lack of accommodation We have even made arrangements for two separate reading rooms, one for the college section and the other for the High School.

Repairs of the building and varnishing of furniture in certain rooms was done by our boys themselves during SHRAMDAN and Social Service Week.

8 LIBRARY & READING ROOM —220 books worth Rs 190/6/6 were added to the college library 1276 books were issued to the members of the staff and the students during the year 1952-53 Besides this, 3456 books were issued to students through subject or class teachers Rs 312/15/ were spent on the news papers, periodicals and magazines

Seth Sohan Lal Duggar of Fatehpur donated a sum of Rs 1000/- for purchase of library books but books have not yet been purchased as the donation came late

In addition to it 123 books were received from the American Embassy through the Principal

There are separate reading room facilities for the High School as well as for the Intermediate section.

9 GAMES, SPORTS & MEDICAL EXAMINATION OF STUDENTS — Games have been our special care and preserve We attach equal importance, if not more, to the physical well being of the student as we do to his intellectual and spiritual side Games are compulsory and there is a provi

sion for regular P. T in the college time table, every class being allotted two full periods a week. There is mass drill almost every day and march past is held as often as convenient, atleast on ceremonial occasions and at the end of each term. Inter-class tournaments are also arranged

Teams are also sent out Our teams participated in the University Tournament at Jaipur. In Basketball match, we were leading all through, where our opponents, the Sawai Mansingh Medical College which had in the words of the bulletin, 'Veteran Players' defeated us in extra time In the vicinity our players appear to be the best We defeated Dundlod and Pilani teams by big margins. In the Volleyball match, we were able to score a victory over the Medical College, Jaipur and were narrowly defeated in the second round For Sports and Football, our boys practised for several weeks in the cold mornings under the supervision of the Principal himself, but owing to sickness of a few athletes we could not participate in the final meet at Bikaner, although our competitors wrested a good many prizes in the local Police meet, despite a short notice Three years earlier in the open competition, our lads annexed almost all the prizes They also won a Trophy, the Chamaria Silver Shield, in a Volleyball Tournament on the grounds of the Chamaria College, Fatehpur

There is a whole time P. T. Instructor and Games-in charge, a retired Subedar Major

Medical inspection is arranged by the Medical Officer once a year

(a) Backward Class 2
(b) Girl Cand dates 2
(c) Indigent Students 2

Rs 175/- worth of books were purchased for poor and deserving students from the Students Benefit Society Several students were fed and helped by the members of the Staff but they don t like their names to be mentioned

11 EXTRA CURRICULAR AND SOCIAL ACTIVITIES —

(a) *College Union Societies and Associations* —The College Union, working ever since 1948 in its present proper form was established last session Regular elections by ballot were held and Som Nath Trehun was elected the President

The Cabinet assisted by their secretaries organise the college recreational and social activities and are gradually being initiated how to husband the boys money on the various items that fall within their purview

It is gratifying to remark that Dinners, At-Homes and After noon lunches were ably organized

*The Red Cross Society and the Junior Red Cross Groups* were formed last session Their work was in infancy but many a cleanliness sanitary, Adult Education and First-Aid drive were made.

*The Economic Association and the Historical Association* functioned well especially the former The Economic Association held discussions on current topics A symposium on the First Five Year Plan organized by the First year students in the presence of Shri B. S Mehta Commissioner Jaipur evoked much applause

Talks under the presidentship of Shri Ujwal now Home Secretary, Rajasthan by Shri B P Bhargava Shri Mohammad Bakhsh, Shri N N Joshi and Shri M J Sharma brought out the various aspects of Poetry and kindled a feeling of healthy rivalry and emulation among students Other activities of the Literary Association like occasional essay competitions versification and fortnightly debates and lectures continued

(b) *Extension Lectures*—We were to have a lecture by Shri Swami, Professor of Dungar College Bikaner deputed by the University but we did not The members of our staff spoke off and on on various topics, specially connected with the Indian Constitution It is customary to have short address on all parades assemblies

(c) *Dramatic Activities and the like* —A full fledged play, rehearsed several times, could not be staged. There have been off and-on various piecemeal dramatic activities A playlet named Alexandra, suitably punctuated with Shadow playing, Qawallies and songs, was put on the stage under the presidentship of the founder of the College Shriman Rao Raja Sahib Bahadur, Sikar

During the *Social Week* our lads were conspicuously spectacular and busy. Most of them dusted and cleansed their class room some of them white washed the walls and varnished the furniture of two classes The Science and Commerce classes repaired the floor of the verandah, which had been an eyesore and a nuisance for long The main items tried so far are as follows —

1 Cleansing of Class rooms
2. Varnishing of furniture
3 Volley-ball Court making
4 Flooring etc

Scouts were throughout kept busy in useful scoutcrafts They won laurels in the Jaipur Division Scout Rally at Sanganer when the International Scout Commissioner, Mr J S Wilson was pleased to remark "GOOD SCOUTS". The National Organising Commissioner Shri Bajpai also commended our scouts for "Both Quality and Quantity" The splendid part, they played in the Sikar-Jhunjhunu Scouts Jamboree held here for 5 days in the winter, won the applause of all 25 of them also went on hike into Simla hills, Hardwar and Dehradun valley

12 HOSTELS —The college hostel, a pretty big and airy building is attached to Institution The hostellers were especially busy last session in rendering social service to the Weavers' Colony of the adjoining village (Purohitji ki Dhani) which they seem to have adopted as their own and where they repair whenever they are free Their selfless work was appreciated by two consecutive District Magistrates, Shri Avtar Narain RAS and Shri Sanwal Dan Ujjawal I A S

On the International Red Cross Day, May 8 1953 the College hostellers arranged a function, presided over by the Divisional Inspector of Schools, Sikar, Shri R K L Bhatnagar, when Shri B B Advani, Civil and Additional Sessions Judge, Sikar gave a lucid address on the life and work of Shri Henri Dunant, the founder of this benificent institution Shri M L Gupta, Vice-Principal and Warden, College Hostel, outlined the growth of the Indian Red Cross Society

The Hostel Advisory Committee presided over by Ghulam Sarwar, continued to run the social and extra muralliactivities of the hostel

Besides the S K College Hostel, there are two other recognised Hostels The Kisan Chhatravas and the Shri Krishna Chhatravas, where college students reside Arrangements of these hostels appear to be quite satisfactory

13 DISCIPLINE —The University Inspectors remarked as follows Tone and Discipline seems to be very good Students are smart and well looked after ' They continued to be exemplary The college is lucky in having d stinguished visitors to it on and off

We encourage *esprit de corps* among the students during the morning assembly when they are also asked to recite or speak Some short and sweet song or a discourse is usually arranged every day Weekly meetings, lectures and symposis are organised by the College Parliament Common dinners and tea parties are common owing to the generosity of Shriman Rao Raja Sahib Bahadur Parties are also arranged especially on occasions of the XII class farewell address etc Students also go out on hikes and excursions when the members of the staff are only too pleased to cast away their pedagogic gown and mix with the lads The neighbouring town of Sanwali Jeeen Mata Shakambari or the Bara Talab are our favoutite rendezvous

14 GENERAL —For us to waste a minute is a sin Change of work is rest for us When others sleep or rest we sweat and work After examination when others relax or rot we recreate ourselves and begin to work hard with renewed vigour in games plays and competitions of a varied kind We feel that momentum acquired in examination days should be harnessed to more useful work and not allowed to run waste

Usually a lull is discernable in college activities but with us the close of the session waxes wild and innocent joy and laughter, the outcome *of hard conscientious assignment is visible every where on the premises* Students as well as members of the staff busy themselves in diverse useful and recreative activities

The letter prepared Teaching—Aids some of which were much appreciated by visitors on the closing day, May 15, 1953 when Shriman Rao Raja Sahib Bahadur Sikar Shri Kalyan Singhji graced the function

We had banked on luring Hon rable Shri Jai Narain Vyas or his worthy Spouse for the Prize Giving Function but were disappointed

Distinguished visitors among others included Shri Milkhi Ram, Deputy Director of Education, Rajasthan, Shri Shri Krishan Das Jajoo, Gandhi Memorial Trust and Shri Seth Sohan Lal Duggar of Fatehpur. Lately we had Hon'rable Shri Master Bhola Nathji, Minister of Education, Rajasthan, amidst us for a brief programme. The institution was visited by the University Inspectors for Periodical Inspection in February, 1953.

Now the entire College populace is beset, as it were with craze for preparing fine play grounds and giving as rousing a reception as it possibly can, consistent with its financial limitations, to the guests and competitors during the ensuing University Zonal Tournament

6 FINANCES —The college is financed by the Government of Rajasthan The Government was pleased to sanction a sum of Rs 2,58,391/- as our annual budget grant

The income from tuition fee etc amounted to Rs 53 678/- and the same was credited to the Government Treasury

7 BUILDING ( ADDITION & ALTERATION ) — With the increase *in number of students* and *introduction of many new additional and optional* subjects our college building is not sufficient We require a few big class rooms which may accommodate 60 students each as the present class rooms are small in size and the number is also insufficient

A hostel and a Science Block have been constructed but they still need many improvements We are making use of these buildings

8 LIBRARY & READING ROOM —We have at present nearly 19 000 volumes Good teachers and a good library is all that is necessary to build a centre of learning and I am one of those who believe that we should not be satisfied with a few thousands volumes of books I hope Government would come to our help in increasing the number of books A suitable non recurring grant is urgently required

We subscribe more than 75 periodicals in our Common Reading Room

Our total issue of books was 34,218

9 GAMES SPORTS & MEDICAL EXAMINATION OF STUDENTS — The college conducted the Rajputana University Zonal Tournament in Hockey, Football Volleyball, Basketball and Tennis in which 9 colleges participated Our college took part in the Local Tournaments and won several trophies

This year we paid a little more attention to games Major games have been put in charge of members of the staff and we have introduced compulsory games for 1st year and 3rd year classes.

Our girl students are showing greater interest in games This year they participated in Rajputana University Tournament for girls and won the Tug of War Shield

Our Hockey, Football, Cricket and Tennis Teams won prizes in the Local Tournament

As usual our students were medically examined The number of

students examined was 635 Out of these students 187 students had physical defects

Our educational system has become one sided and the average student never feels the need of building his body, with the result that when he goes out of the college he is physically unfit The most depressing situation is that students avoid being physically examined by the the college Doctor I am inclined to stress that even at the cost of academic activities colleges and Universities must pay greater attention to physical development I suggest that the University should lay down certain physical standard which the students must attain in order to get a degree

10 SCHOLARSHIPS STIPENDS, MEDALS & CONCESSIONS IN FEES — We do not award any scholarships But 17 students have been granted scholarships from other sources Several students are getting Government Scholarships

Up to 10 percent free and half freeships are awarded to the poor and deserving students This year we awarded 139 freeships and 89 half freeships

11 EXTRA CURRICULAR & SOCIAL ACTIVITIES —(a) *National Cadet Corps*—Our National Cadet Corps has been doing very good work and has won appreciation from all quarters All credit goes to our enthusiastic Commandant Captain Raj Singh, our Officers and our young cadets This year our cadets went to camp at the Historic Fort of Chittor and created a very good impression on all concerned The Military Officers who came to inspect the camp spoke highly of their discipline and work On the occasion of the visit of the Commander in Chief of the Indian Army General Carriappa to Udaipur a ceremonial parade was held in which our Cadets took part and the Commander in Chief spoke in high terms of their achievement I am happy to say that the results of B and C Certificate Examinations which were held in the year under review were very satisfactory All of our Cadets who appeared at these examinations succeeded and all the four who appeared for the C Certificate examination secured First Division The Military Officer who came to examine them told me that ours is one of the best units they had seen

Last summer our cadets under the command of Captain Raj Singh went to Delhi Camp where they took active part in constructive work Thirty eight miles of drains were dug by the Cadets Our Battalion was declared the best among all those which participated and a silver Ashok Pillar was awarded to it

Silver trophies worth about Rs 3,000/ and two N C. C banners

have been donated to our battalion Our N C C information room and library is unique and has been highly spoken of by many a distinguished visitor

(b) *Distinguished visitors* —General Carriappa, the Commander-in Chief of India, Dr Dashrath Sharma Shri Agarchand, visited the college and addressed our students

(c) *Union* —As usual the College Union was formed It organised many functions The Annual Function was held lasting for four days with various programmes like Kavi Sammelan Debates, Drama, Sports competition and Mock Parliamentary session

The Vice Chancellor of the Rajputana University was invited to *preside over the inauguration function of the College Union* On this occasion he spoke on Discipline among students

Dr Palmer, Professor of International Affairs at University of Delhi, was invited to preside over the College Annual Function

(d) *Associations* —Students formed various associations like Political Science Association, History Association Commerce Association Progressive Society, Bazmeadab, Geography Association, Hindi Samiti Science, Association, Girls Association etc, and remained active throughout the session

(e) *Educational Tours* —Students went on Historical, Commercial, Scientific and Geography tours to different parts of India Our Sociology Club conducted many tours in Mewar and studied the life in different parts of the areas

(f) *Social Work* —It is really a pity that the educated youngmen in India have an aversion to manual labour and they feel it below their dignity to soil their hands This year under the leadership of Shri B R Chauhan, Lecturer in Sociology and an enthusiatic social worker a band of 20 college students constructed the basement of the college pavilion After the classes were over *I could find them working at it with great zeal and enthusiasm* I am really very happy that at least a few of our students realised their duty towards their institution and worked for its betterment How much I wish that in coming years more students will come forward to improve the college surroundings

6. FINANCES —The college is a private institution and is financed partly by the Government of Rajasthan and partly by Philanthrophists and members of the institution in the form of donations and subscriptions. Only a nominal tuition fee at the following rate is charged from the students —

| | |
|---|---|
| *Intermediate* | Rs. 3/- per month. |
| High School | Rs. 2/- per month. |
| Games fee | Rs. 1/- per year. |
| Reading Room fee | Rs 3/- per year for Intermediate. |
| | Rs 2/- per year for High School. |

The total recurring and non-recurring expenditure for the year under report was Rs 88,582/4/4 while the grant-in-aid received from the Government was— (i) Recurring Rs. 24,804/2/- and (ii) non-recurring Rs 19,000/-

7. BUILDINGS—The college is housed in a good building with well laid gardens and lawns. Adjacent to the main building is a vast land half of which is under cultivation and other half is utilised as grounds for games and sports Another building in the close vicinity of the college is used as residential quarters for the Principal and a few members of the staff. A seperate college building with accomodation for new blocks for Physics, Chemistry and Biology is under construction and nearing completion. For want of accommidation we have taken on rent from the P W D. the "Nai Sarai" a building just adjacent to our main building, where we accommodated the Primary Section of the institution. It will not be out of place to mention that the institution with its vast fields, garden, grounds and building surpasses many other local institutions as far as cleanliness, beauty and good sanitation are concerned

8 LIBRARY AND READING ROOMS — The college library and reading room are housed in the college hall and continue to be in the charge of a senior member of the teaching staff who is assisted by a whole-time library clerk to issue books against entry in the register and to maintain general supervision over the reading room which remains open during college hours. The library contains about 3,500 books which are classified subjectwise. Students are encouraged to read books, news papers and periodicals which are subscribed for in good number and the teachers guide

the students in selecting useful books In the year under report 1530 books were issued from the library to the students and the members of the staff which shows a deep interest in reading The college subscribed for 4 dailies 7 weeklies 12 monthlies and 4 other papers for the reading room
